***** OFFICIAL BOARD SELECTION DATE IS JULY 24, 2023 *****

1. The individuals listed in Attachment 1 were selected for Undergraduate Flying Training by the UFT Selection Board 23-05 which convened in accordance with section 3.2.4.1 of AFMAN36-2100 *MILITARY UTILIZATION AND CLASSIFICATION* (7 APR 21) on 24 Jul 23 at HQ AFRC. The approval authority for UFT exceptions to policy (ETP) is AFRC/CC (AFMAN36-2100, section 1.3.5), delegated to AFRC/A3/10 via memo "Delegations of AFRC/CC Authority," Nov 2022. Approved ETPs are annotated in Attachment 1. All selectees are approved, as required, to attend Officer Training School (OTS) per AF/RED's delegation of OTS selection authority to AFRC/A3/10 (17 May 23).

- a. **For Commander action:** Notify selectees within 7 days of receipt of this message. One week after this message is sent to commanders, it will be forwarded to AFRC Officer Accession Recruiters, Unit Hiring POCs, and 340 FTG for selectee notification and processing.
- b. **For Recruiter/Unit Hiring POC action:** Notify selectees immediately upon receipt of this message and coordinate future gain/in-processing actions.
- c. **For 340 FTG action:** Upon receipt of this message, contact selectees for gain/in-processing.

2. **Administrative notes for selectees:**

- a. The 340th Flying Training Group will manage your training and will be in contact with you soon to facilitate your gain into the Air Force Reserve. Be prepared for delays in this process, depending upon the status of your flight physical and training availability.
- b. Commencement of training is contingent upon having a certified flight physical. If you do not have a certified flight physical, work with your recruiter, sponsoring unit, or 340 FTG

to schedule the appropriate flight physical (be sure to mention your selection on an AFRC UFT Board). **Once your flight physical is approved/stamped certified, notify 340 FTG via email at 340FTG.UFT.Workflow.1@us.af.mil**. Selectees must have an appropriate Flying Class Physical certified by AETC Surgeon General that is valid through the start date of their training program (ENJJPT, SUPT, URT, UCT and UABMT). All flying class physicals are good for 48 months following the certification date. Some selects have current physicals which will expire before their training start date. It is the member's responsibility to seek a new flying class physical, if required, based on the class start date on their orders. For more flying class physical information, reference AFI 48-123, Medical Examinations and Standards.

- c. For non-officer selectees, you will attend Officer Training School (OTS). Specific information on OTS is available online at <https://www.airuniversity.af.edu/Holm-Center/OTS/>. All officer candidates must comply with AFMAN 36-2905, *AF Physical Fitness Program*, upon arrival for training. The 340 FTG will contact you for scheduling.
- d. Selectees without a private pilot's license will be scheduled for Initial Flight Training (IFT). Specific information on IFT is available online at <https://www.cae.com/defense-security/what-we-do/training-centres/usaf-initial-flight-training-ift>.
- e. Please allow at least 30 days for 340 FTG to contact you to schedule your training. The POC is Lt Col Christine Wagner (340FTG.UFT.Workflow.1@us.af.mil; 210-652-6107).

3. AFRC convenes UFT Selection Boards quarterly in January, April, July and October. The next regular AFRC UFT Selection Board will convene on or about 13 Jul 23. Application deadline is 30 Jun 23. Eligibility criteria are detailed in AFMAN 36-2100.
